

Ref. No.: 41/JOA/XXVI/2/2024/ 269

30 May 2024

Kind Attention: All Members and QCS of the Institute.

SUBJECT: REQUEST FOR ARTICLE FOR THE ICSB JOURNAL.

Dear Colleagues,

Kindly note that the next issue of our quarterly Professional Journal (2nd Quarter; April-June 2024) will be published very soon. We seek your kind cooperation for mailing us your quality articles for publication in the professional journal "THE CHARTERED SECRETARY". The Journal and Publication Sub Committee opted to select the theme as "ARTIFICIAL INTELLIGENCE (AI): PROSPECTS AND CHALLENGES". So for the forthcoming issue, we seek your articles on the mentioned theme. You are requested to mail us your article on the theme by 10 June 2024 (Monday).

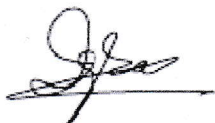

Your article needs to embrace the following aspects as far as possible: abstract (if you desire), Introduction, Prospect, Challenges, Findings and Recommendation, Conclusion. Please note that the Editorial Board always inspires quality article(s) which is aligned with the theme of the upcoming issue of the journal.

If you have any queries, feel free to contact the undersigned (The Chairman, JPSC, ICSB) directly. We appreciate the single author article, not the multiple authors. Please ensure that the write-up should be within 2000-2500 words (A4 size/3-4 pages) only. It is necessary to put citations/short references, source(s) and reference/bibliography in standard format of your article to make it publishable. Please do not forget to provide your stamp size/pp photo to be published with your article if selected for publication. The articles must be original, plagiarism free and exclusive contribution for our Journal.

Please send the soft copy of the article to research.publication@icsb.edu.bd by **10 June 2024** at the latest.

Your cooperation in this regard would highly be appreciated.

Best regards,

Prof. Dr. Feroz Iqbal Faruque FCS
Chairman
Journal and Publication Sub Committee (JPSC)
